Busca 22 multiplicaciones en esta sopa de números. Puede estar horizontalmente (hacia la derecha) o verticalmente (hacia abajo). ¿Puedes encontrarlos todos?. Te dejamos el primero.

PRODUCTO POR UNA CERA

Completa las ruedas de los coches multiplicando el número central hacia fuera, como en el siguiente ejemplo.

TABLAS DEL 3-4-5-7

Colorea el dibujo siguiendo las claves siguientes

AZUL: Todos los resultados de la tabla de multiplicar del 3

VERDE: Todos los resultados de la tabla de multiplicar del 4

ROJO: Todos los resultados de la tabla de multiplicar del 5

AMARILLO: Todos los resultados de la tabla de multiplicar del 7

La resolución de problemas surge de la necesidad de crear procedimientos rápidos y concretos, propios de los grupos sociales.

El solucionar problemas de la vida cotidiana como ir a la tiendita, medir una cancha, promediar los goles anotados por un equipo, etc.

La multiplicación hace posible que la suma sea más fácil, rápida y eficiente, agilizando el método y aportando respuestas coherentes.

Varias de las actividades fueron tomadas de la página de actiludis.
